SUMMARY

I'm a proactive, collaborative product designer with a background in e-commerce and technical recruiting. I create thoughtful, insight-driven solutions for brands seeking to build empathy and impact by bridging user needs and business goals, transforming engagement, and empowering users.

EXPERIENCE

UX Designer

May 2023 - Present

Sustainable Socialization

New York, NY

- Develop and conduct surveys, interviews, competitive analyses, and define design deliverables as the sole UX designer on the volunteer team
- Create the first website for the 501(c)(3) pending nonprofit to host its feline errorless, socialization training resources for its 1K+ users, in collaboration with 2 developers

Technical Recruiter

Jun 2022 - Sep 2022

TEKsystems

New York, NY

- Built a network of senior backend software engineers through 75+ sourcing cold calls daily
- Screened and coached 15 candidates through resume revisions, technical assessments, and interviews

Community Management Associate

Jun 2021 - May 2022

Ana Luisa

Brooklyn, NY

- Engaged with weekly influx of 1K+ messages on social platforms (Instagram, TikTok, Facebook), contributing to a 20% growth in Instagram followers (100K+)
- Analyzed customer insights, roadblocks, and social media conversion each quarter and led growth initiatives like the Brand Ambassador program revamp
- Crafted 12 launch-specific FAQs for customer-facing interfaces and created the Social-CX Knowledge Base to streamline processes across social platforms and CX emails

Care Coordinator

Mar 2020 - Dec 2020

Memorial Sloan Kettering Cancer Center

New York, NY

- Coordinated oncology treatment for 4 clinical teams with a volume of 25+ patients daily
- Managed all non-clinical aspects of onsite patient care, including onboarding

Research Assistant

Jan 2019 - May 2019

Transitions to Parenthood

New York, NY

- Generated themes and codes through partner coding and consensus building
- Transcribed and coded 15 qualitative interviews examining parental decision-making

EDUCATION

BS, Applied Psychology & Global Public Health

New York University

2016 - 2019

New York University Accra

Fall 2017
